

# David Barrow

ILLUSTRATOR

*David Barrow, a former graphic designer, video editor and animator, has a passion for visually telling stories. It's only natural that he would gravitate towards the medium of illustrating books. In every work he strives to include strong personality characters and subtle details ... and a fun story.*

*David has built a wide ranging portfolio and a reputation for fairness and unrelenting excellence throughout his various careers and growing list of books and posters.*

*Principal medium:*

*Print: Computer (Corel Painter, Photoshop and Procreate)*

*Live Demos: IPad (Procreate)*

*Published with:*

*Doodle and Peck Publishing  
Tracy Bryan*

*Phone:*

*(405) 924-4618*

## School Visits include:

\* An entertaining 30-minute program designed to inspire and educate kids to write and illustrate their own stories.

Including:

- \* Description of the illustrating and publishing process
- \* Drawing demonstration and stories through pictures
- \* Question and answer time

Primarily self-taught, David sees it as his mission to encourage those who feel the same curiosity for art and stories he experienced at their age.
